

RULES

LADY DRINK INTERNATIONAL 2024

The Barlady must submit a recipe that meets the criteria listed below.

To participate in the competition it is necessary to be a professional barlady and specify the workplace during online registration. Participants can compete with a cocktail belonging to any category: long drink, after dinner, pre-dinner, since the category is free. All participants must upload and submit their cocktail recipe online. Barladies are not expected to deliver speeches..

The competitors must present a recipe that satisfies the following criteria:

- It must be an original creation of the barlady, prepared in 4 decorated drinks, 3 for the judges and 1 for photography.
- In the event of suspected plagiarism of a well-known existing cocktail, the barlady will be immediately disqualified.
- It is mandatory to use in the recipe at least one product from the sponsor. For other ingredients, you can exclusively use products from other sponsor companies (see list in the regulations*). Only for fresh products or homemade items in the office, which, by their nature, are not from any sponsor, you don't need to fill in the company field when uploading the recipe online, but you can directly write the products you want to use.
- The cocktail must consist of a maximum of 7 ingredients (excluding decorations).
- Recipes must be expressed in centiliters.
- Cocktails can be presented by choosing one of the glasses provided by the sponsor and will be indicated in the online form when uploading the recipe.
- Not allowed: food products to accompany the drink and homemade products unless prepared directly in the office.
- Drinks can be served neat or over cubed, crushed, or crushed ice.

Drink Name

- The use of drink names containing vulgar, excessive, or sexually suggestive terms, or words associated with narcotics, is prohibited.

The winner of the Lady Drink International 2024 category will be determined based on the following criteria:
